

Come Join the United Methodist Women

January 21, 2010

To All Women of WUMC:

On Monday, February 8, 2010 at 7:00 pm the United Methodist Women will be meeting in Fellowship Hall and are requesting your presence. This will be a night of education and fun for all (especially any children you may bring along).

Pat Wilson, Hospice Volunteer Services Coordinator of the VNA HealthCare facility of Waterbury will be the guest speaker for the night. The topic will be *"How Hospice Care Supports Families"*. The VNA Healthcare has been serving the needs of CT residents for over 100 years, and is providing homecare services in our community. The Hospice program provides physical comfort and emotional support to terminally ill patients and their families, while "caring for them at home".

We hope you can make this meeting to hear how you can even sign up to become a hospice volunteer if you wish. For any children that may be with you for the evening, we have a project for them. . . *How about making a Valentine card for some of our WUMC Shut-Ins as well as our friends at the Shelton Home?* We will have Valentine supplies to be used, all you need to do is bring along a child to help us with this project.

If you plan on attending, we ask that you please call or email the office by Feb. 2nd to wumc@woodburyumc.net so that we can be sure to have enough supplies but also dessert. Hope to see you on the 8th!

Kathy Craig, Secretary
United Methodist Women
